

The Department of Pediatrics at McMaster University and McMaster Children's Hospital, Hamilton Health Sciences are seeking **one full-time academic physician** to join the Division of Pediatric Hematology-Oncology. Applicants of all academic levels will be considered. Opportunity exists for experienced candidates with interest in leadership to also be considered for the role of **Division Head**.

Located in Hamilton, on the edge of Lake Ontario and the picturesque Niagara escarpment, McMaster Children's Hospital is a tertiary referral centre serving a population of more than 2.3 million. McMaster University is internationally recognized for innovations in medical education and pioneering biomedical, epidemiological and health systems research. McMaster Children's Hospital is one of the busiest children's hospitals in Ontario offering specialized care to over 150,000 children each year.

The Division of Pediatric Hematology/Oncology currently has ten physicians. The successful candidate will share responsibilities for delivering the comprehensive clinical services provided by the Division, and will participate in research and educational activities. To address the clinical needs of the Division, an area of clinical focus in solid tumour oncology would be an asset.

This position will incorporate an academic appointment, and rank and salary will be commensurate with the experience and expertise of the applicant. The Division is a research-intensive group; the successful candidate will be encouraged to participate in collaborative research and to develop a clinical investigative agenda. They will also participate in educational activities within the undergraduate medical education program and the Royal College accredited Pediatric and Pediatric Hematology/Oncology postgraduate training programs. We offer a collegial atmosphere, a unique academic environment, and the opportunity to work in a thriving academic department with enthusiastic colleagues.

Applicants should be certified (or eligible for certification) in Pediatrics and Hematology/Oncology by the Royal College of Physicians and Surgeons of Canada and must be licensed (or eligible for licensure) in the Province of Ontario. Start date is negotiable.

All qualified applicants are encouraged to apply; however, Canadian citizens and permanent residents will be considered first for this position. To comply with the Government of Canada's reporting requirements, the University is obliged to gather information about applicants' status as either Permanent Residents of Canada or Canadian citizens. Applicants need not identify their country of origin or current citizenship; however, all applications must include one of the following statements: Yes, I am a citizen or permanent resident of Canada - or - No, I am not a citizen or permanent resident of Canada.

*Note: Applications will continue to be accepted until the position has been filled.

Expressions of interest should include:

- An up-to-date curriculum vitae and cover letter
- A description of training and research experience as well as the names and addresses of three professional referees.
- A brief statement describing any contributions made or planned in relation to:

advancing equity, diversity, and inclusion, inclusive excellence in teaching, and research; service within higher education, community-based or other professional settings (2-page maximum)

Letters of reference are not required and will not be reviewed at the application stage; letters of recommendation from referees will be requested at later stages of the search process.

Interested candidates should submit the above documentation on-line by visiting our careers website at <https://hr.mcmaster.ca/careers/current-opportunities/> Job Opening # 60063

Employment Equity Statement

McMaster University is located on the traditional territories of the Haudenosaunee and Mississauga Nations and within the lands protected by the “Dish With One Spoon” wampum agreement.

The diversity of our workforce is at the core of our innovation and creativity and strengthens our research and teaching excellence. In keeping with its Statement on Building an Inclusive Community with a Shared Purpose, McMaster University strives to embody the values of respect, collaboration, and diversity, and has a strong commitment to employment equity.

The University seeks qualified candidates who share our commitment to equity and inclusion, who will contribute to the diversification of ideas and perspectives, and especially welcomes applications from indigenous (First Nations, Métis or Inuit) peoples, members of racialized communities, persons with disabilities, women, and persons who identify as 2SLGBTQ+.

As part of McMaster’s commitment, all applicants are invited to complete a confidential Applicant Diversity Survey through the online application submission process. The Survey questionnaire requests voluntary self-identification in relation to equity-seeking groups that have historically faced and continue to face barriers in employment. Please refer to the Applicant Diversity Survey - Statement of Collection for additional information.

Job applicants requiring accommodation to participate in the hiring process should contact the Human Resources Service Centre at 905-525-9140 ext. 222-HR (22247) or the Faculty of Health Sciences Human Resources office at ext. 22207 to communicate accommodation needs

Vaccination Mandate - FHS

This position is located in a host hospital or other healthcare site that has an active vaccination mandate in place. Successful applicants will need to comply with these and any other health and safety measures necessary as part of their appointment.
